May 2024

Dear Neighbors:

Growing up in Mineola the summers seemed to last forever. From playing a pick-up game of baseball on our little league fields, roller hockey at the PAL rink, or stickball behind the old Willis Avenue school, we were outside from sunrise to sunset. Although much has changed in the decades since, it is great to see our children enjoying their summers in our wonderful community. From our beautiful parks and ball fields to our refreshing pool to our summer concert series at Memorial Park we have something for everyone, young and old alike.

Some additions I would like to highlight are the newly turfed soccer field at Wilson Park that our soccer and lacrosse teams will enjoy for the next several decades and the resurfacing of our playgrounds. In addition to our concert series at Memorial Park, we will have more Sounds on Second Street concerts and events throughout the year including a food truck festival, an arts and automobiles showcase, a fall festival and a holiday market. You can follow us on social media or visit MineolaEvents.com for a listing of all our upcoming activities for the whole family to enjoy!

Inside this booklet, you will find listed many programs and events for you and your family to enjoy including the Summer Recreation Program and events at our community pool. I am pleased that the John S. DaVanzo Community Pool and our Village's Summer Recreation Program continue to provide both adults and youth with the safe and enjoyable summer activities we value as a community.

The Village of Mineola continues to provide one of the finest recreation facilities anywhere in Nassau County. Our pool, fields, picnic areas, programs, and activities are here for you and your family to enjoy. So, please come down, join your neighbors, and enjoy the summer as many of us have done in years past.

Best wishes for a safe and enjoyable summer season.

Sincerely,

A handwritten signature in black ink that reads 'Paul A. Pereira'.
