DECISION:

Corporation of the Presiding Bishop of the Church of Jesus Christ of Latter Day Saints (hereinafter, "Applicant") is before this Board pursuant to Chapter 30, Section 30.31 of the Municipal Code of the Incorporated Village of Mineola for a special use permit to establish a church upon the property known as 111 Willis Avenue, Mineola, New York (known and designated on the Nassau County Land and Tax Map as Section 9, Block 420, Lots 111, 315 and 316) (hereinafter, the "Property").

By Notice of Disapproval, dated December 6, 2010, Applicant's building permit was denied The Building Inspector determined that the proposed application is contrary to the Village's zoning regulations in that the establishment of a church upon the Property requires a special use permit. Applicant was thus required to seek relief before the Board of Trustees for a special use permit.

Based upon the evidence adduced at the public hearing and the documentation submitted to the Board in support of the application, the Board makes the following findings of fact:

- 1) Applicant is seeking a special use permit to establish a church upon the property known as 111 Willis Avenue, Mineola, New York;

- 2) Applicant will use the building solely for religious study and religious practice;
- 3) There will be no catering functions upon the Property;
- 4) There will be no day-care facilities upon the Property;
- 5) Applicant will provide adequate on-site parking to meet the needs of the church;
- 6) The proposed use, subject to the conditions imposed by this Board, will provide a desirable service and convenience to the Village.

Based upon the above findings, it is hereby determined that the proposed use, subject to the conditions stated below, is harmonious to the “B-1” District, will conform to the general character of the neighborhood and that the public health, morals, safety and general welfare of such neighborhood will be secured by the granting of the requested Special Use Permit. Further, it is hereby determined that the Special Use Permit will provide a desirable facility to the area and will not be incongruous to the neighborhood by reason of excessive traffic. The Application and supporting documents were referred to the Nassau County Planning Commission. The Nassau County Planning Commission recommended that this Board take whatever action it deemed appropriate.

The Board of Trustees has appellate jurisdiction with respect to architectural matters. The Board of Trustees grants the Applicant’s request to waive architectural review with respect to the minor exterior changes proposed which include enclosing the existing vestibule, installing an ADA compliant entrance, re-grading the parking lot and re-landscaping the property.

IT IS THEREFORE RESOLVED, that the Special Use Permit is **GRANTED** subject to the following conditions:

- 1) Applicant shall be the exclusive occupant on the Property;
- 2) The Applicant will not rent the Property to outside groups for any non-church service or non-church related activities;
- 3) Applicant shall instruct all congregants to utilize the on-site parking lot;
- 4) The Applicant will not prepare or cook food upon the Property;
- 5) Each of these conditions is material to the approval granted by the Board of Trustees. Violations of any of them shall subject the applicant or it successors to enforcement pursuant to the Village’s Municipal Code, including possible revocation of this special permit;
- 6) The representations made by Applicant on the record in this proceeding have been deemed material to this application and have been relied upon by the Board of Trustees in its deliberations and decisions. Said representations are deemed to be part of the conditions of this special permit; and
- 7) Violation of a condition set forth in this decision shall be deemed a violation of the Village Zoning Law and shall subject the owner or occupant of the premises to all penalties set forth in the Zoning Law.
