PUBLICATION & POSTING: All in accordance with applicable laws, rules and regulations.

DATE OF HEARING: January 11, 2012
APPEARANCES: John C. Farrell, Esq.

DECISION:

7 Roselle Corp. (hereinafter, "Applicant") is before this Board pursuant to Chapter 30, Sections 30.31 and 30.51 of the Municipal Code of the Incorporated Village of Mineola for a special use permit to establish a fitness facility upon the property known as 7 Roselle Street, Mineola, New York (known and designated on the Nassau County Land and Tax Map as Section 9, Block 349, Lot 985) (hereinafter, the "Property").

The Building Inspector determined that the proposed application is contrary to the Village's zoning regulations in that the establishment of fitness facility upon the Property requires a special use permit. Applicant was thus required to seek relief before the Board of Trustees for a special use permit.

A referral of the application was made to the Nassau County Planning Commission on December 15, 2011. The Nassau County Planning Commission has recommended that this Board take whatever action it deems appropriate. Based upon the evidence adduced at the public hearing, and the documentation submitted to the Board in support of the application, the Board makes the following findings of fact:

- 1) Applicant is seeking a special use permit to establish a fitness facility upon the property known as 7 Roselle Street, Mineola, New York;
- 2) Applicant shall not sell food, beverages and/or supplements upon the Property;
- 3) The proposed use, subject to the conditions imposed by this Board, will provide a desirable service and convenience to the Village.

Based upon the above findings, it is hereby determined that the proposed use, subject to the conditions stated below, is harmonious to the "M" District, will conform to the general character of the neighborhood and that the public health, morals, safety and general welfare of such neighborhood will be secured by the granting of the requested Special Use Permit. Further, it is hereby determined that the Special Use Permit will provide a desirable facility to the area and will not be incongruous to the neighborhood by reason of excessive traffic.

IT IS THEREFORE RESOLVED, that the Special Use Permit is **GRANTED** subject to the following conditions:

- 1) No food, beverages and/or supplements will be sold upon the Property;
- 2) The operation of the facility shall be self-contained within the interior of the building with the exception of periodic scheduled runs;
- 3) Each of these conditions is material to the approval granted by the Board of Trustees. Violations of any of them shall subject the applicant or its successors to enforcement pursuant to the Village's Municipal Code, including possible revocation of this special permit;
- 4) The representations made by Applicant on the record in this proceeding have been deemed material to this application and have been relied upon by the Board of Trustees in its deliberations and decisions. Said representations are deemed to be part of the conditions of this special permit; and
- 5) Violation of a condition set forth in this decision shall be deemed a violation of the Village Zoning Law and shall subject the owner or occupant of the premises to all penalties set forth in the Zoning Law.
