

# INCORPORATED VILLAGE of **MINEOLA** *Mineola Moments*

[WWW.MINEOLA-NY.GOV](http://WWW.MINEOLA-NY.GOV)

SEPTEMBER 2023

## Grand Opening for Mineola Fire Department HQ

On June 17th, a dedication ceremony was held for the new Mineola Fire Department headquarters which houses Engine Company 1 and Truck Company 2. The state-of-the-art building, which replaces the original firehouse built in 1913, features a negative pressure room for turnout gear storage, an indoor training area and much more to serve the residents of Mineola for the next 100 years.

# Village Receives Smart Growth Award from Vision Long Island

The Village of Mineola recently received the 2023 Smart Growth Award from Vision Long Island.

The Village was recognized for the newly enacted Historic Downtown and Jericho Turnpike Overlay districts.

## IMPORTANT ANNOUNCEMENTS!

### From the Water & Sewer Division... Attention All Water Consumers

In the upcoming weeks and months, all residents and businesses will receive notification from the Department of Public Works, Water & Sewer Division regarding new Federal and State mandated inspections of lead and copper water service lines. They will need to schedule access to your home or business to document information regarding the incoming water service line. The inspection of the water service line is the only reason the Village is requesting access to properties. We thank you in advance for your cooperation and assistance in complying with these new regulations.

For additional information, please contact the Water & Sewer Division at (516) 746-0751 or the Department of Public Works Administrative Office at (516) 746-5291.

### From the Building Department... Building Permit Amnesty Program

The Village of Mineola recently launched a Building Permit Amnesty Program which allows homeowners with unpermitted and previously completed improvement projects the opportunity to obtain the necessary building permits without penalty or late fees through the end of 2023. All local ordinances and NYS codes must be followed in order to attain approval. Standard permit fees will apply. For more information, please contact the Building Department at 516-746-0750 ext. 255.
