Resolution No. 353-14

Resolved to adopt the Village of Mineola’s Credit Card Use Policy as stated below:

Scope of this Policy

The Village policy relates to the use of any and all purchasing cards, and other credit cards issued by the Village, its agencies, departments or commissions, to departments or employees (hereinafter referred to collectively as “Village”).

Village Cards are to be used in conjunction with current Village contracts, and with specific Village purchasing policies.

Acceptable Uses, Limits and Procedures

Village Cards shall be used solely for official Village business. Therefore, Village Cards shall not be used for personal or private business purchases.

Village Cards shall be issued only to individuals who have appropriate purchasing authority. Authorized use of Village Cards shall be limited to the person whose name appears on the face of

the Village Card, or who is specifically authorized by the Village Board of Trustees to use the Village Card. Village Cards shall not be loaned to other individuals.

Each employee receiving a Village Card shall be bound by the limits, policies, and procedures of the Incorporated Village of Mineola.

Intentional misuse or fraudulent abuse of any Village Card may result in disciplinary action, up to and including dismissal and/or criminal sanctions. In addition, the authorized holder of the Village Card shall promptly reimburse the Village for any unacceptable purchases. If reimbursement is not made upon demand, the Village is authorized to withhold payroll to satisfy the amount owed.

Auditing and Documentation

All departments distributing Village Cards shall provide a copy of this policy to each employee receiving a Village Card, and require the employee to acknowledge receipt of the policy by signing.

Individual Village Card holders are responsible for maintaining adequate documentation supporting all Village Card purchases and furnish all receipts to the Village Treasurer within three (3) business days of purchase. The Village shall retain such documentation. Documentation shall support the business purpose of all transactions made with Village Cards, and shall include the following items:

- Copy of this policy, signed by each Village Card holder
- Copies of order forms, when available
- Packing slips (for goods received)
- Original cashier receipts or vendor invoices
- User logs, when available.

Village Treasurer shall be responsible for periodically auditing the records of authorized purchasing card users to ensure that Village Cards are used only by authorized users for official Village business.

Security

Each Department Head shall be responsible for safeguarding the Village Cards for each Department. Department Heads shall ensure that Village Cards are kept in accessible but secure locations, and that account numbers on Village Cards are not posted or left in conspicuous places. An employee who has had his/her Village Card lost and/or stolen is to immediately report it to their Department Head. Department Heads shall immediately and properly report lost and/or stolen Village Cards to the Village Treasurer. The Village Treasurer shall immediately notify the necessary credit card company.

All Village Cards shall be returned to the issuing agency, department or commission immediately upon request or upon termination of employment (including retirement).
