DECISION:

Fly High Dance and Fitness, Inc. (hereinafter, “Applicant”) is before this Board pursuant to Chapter 550, Section 550.12.B of the Municipal Code of the Incorporated Village of Mineola for a special use permit to establish a dance and fitness studio upon the property known as 111 East Jericho Turnpike, Mineola, New York (known and designated on the Nassau County Land and Tax Map as Section 9, Block 268, Lots 6-12) (hereinafter, the “Property”).

By Notice of Disapproval, dated July 29, 2014, Applicant’s building permit was denied. The Building Inspector determined that the proposed application is contrary to the

Village's zoning regulations. Applicant was thus required to seek relief before the Board of Trustees for a special use permit to establish a dance and fitness studio upon the Property.

A referral of the application was made to the Nassau County Planning Commission. The Nassau County Planning Commission has recommended that this Board take whatever action it deems appropriate. Based upon the evidence adduced at the public hearing, and the documentation submitted to the Board in support of the application, the Board makes the following findings of fact:

- 1) Applicant is seeking a special use permit to establish a dance and fitness studio upon the property known as 111 East Jericho Turnpike, Mineola, New York;
- 2) The Property is serviced by twenty (20) off-street parking spaces. However, Applicant will not have access to all spaces;
- 3) The hours of operation will be 5:00 P.M. to 10:00 P.M. Monday-Friday and 9:00 A.M. to 4:00 P.M., Saturday-Sunday;
- 4) Classes will be for one (1) hour and with eight (8) to ten (10) to individuals at a time;
- 5) The Applicant will not be selling, preparing or cooking food upon the Property; and
- 6) The proposed use, subject to the conditions imposed by this Board, will provide a desirable service and convenience to the Village.

Based upon the above findings, it is hereby determined that the proposed use, subject to the conditions stated below, is harmonious to the "B-1" District, will conform to the general character of the neighborhood and that the public health, morals, safety and general welfare of such neighborhood will be secured by the granting of the requested Special Use Permit. Further, it is hereby determined that the Special Use Permit will provide a desirable facility to the area and will not be incongruous to the neighborhood by reason of excessive traffic.

IT IS THEREFORE RESOLVED, that the Special Use Permit is **GRANTED** subject to the following conditions:

- 1) The operation of the facility shall be self-contained within the interior of the building;
- 2) Music, if any, shall be played at a low volume and shall not be audible outside of the building;
- 3) Applicant shall encourage its members to utilize the municipal parking;
- 4) Each of these conditions is material to the approval granted by the Board of Trustees. Violations of any of them shall subject the applicant or its successors

to enforcement pursuant to the Village’s Municipal Code, including possible revocation of this special permit;

- 5) The representations made by Applicant on the record in this proceeding have been deemed material to this application and have been relied upon by the Board of Trustees in its deliberations and decisions. Said representations are deemed to be part of the conditions of this special permit; and
- 6) Violation of a condition set forth in this decision shall be deemed a violation of the Village Zoning Law and shall subject the owner or occupant of the premises to all penalties set forth in the Zoning Law.

Trustee Paul A. Pereira congratulated Valerie and Nick Passarella on being recognized as the “Italian Couple of the Year”, encouraged residents, especially those with children, to come to the Halloween party on October 24 commenting that it is a fun night; reminded residents to practice safety for themselves and their children during the Halloween season; and also reminded residents that they should replace their smoke detectors every 5 years, as a precaution.

Trustee Paul S. Cusato stated that the Town of Hempstead is having its Firematic Awards ceremony on October 16 and congratulated Lieutenant Kevin Nichol from Company 1 on receiving this award; congratulated Valerie and Nick Passarella on being named “Italian Couple of the Year”; and reiterated the importance of changing the batteries and maintaining your smoke detectors.

Trustee George R. Durham reported on his recent trip to Washington, D.C. with Boy Scouts of America Troop 45 commenting that it was very educational, and congratulated Mineola High School on winning their Homecoming football game.

Trustee Dennis Walsh reported that he attended the past Nassau County Village Official Association (NCVOA) meeting featuring guest speaker Eric Alexander, President of Vision LI, commenting that Mr. Alexander used the Village of Mineola as a good example of some of the smart growth projects underway. Trustee Walsh further commented on the letter from Mineola School Board President Artie Barnett, referring to economic studies by Dr. Pearl Kamer which were shared with the Mineola School Board at the time and stated that he believes Mr. Barnett’s article to be inaccurate and misleading.
