APPEARANCES: Noah Siegel

DECISION:

Noah Siegel (hereinafter, "Applicant") is before this Board pursuant to Chapter 550, Section 550.12.B of the Municipal Code of the Incorporated Village of Mineola for a special use permit to establish a fitness training facility upon the property known as 228 East Jericho Turnpike, Mineola, New York (known and designated on the Nassau County Land and Tax Map as Section 9, Block 378, Lot 26) (hereinafter, the "Property").

By Notice of Disapproval, dated August 13, 2014, Applicant's building permit was denied. The Building Inspector determined that the proposed application is contrary to the Village's zoning regulations. Applicant was thus required to seek relief before the Board of Trustees for a special use permit to establish a fitness training facility upon the Property.

A referral of the application was made to the Nassau County Planning Commission. The Nassau County Planning Commission has recommended that this Board take whatever action it deems appropriate. Based upon the evidence adduced at the public hearing, and the documentation submitted to the Board in support of the application, the Board makes the following findings of fact:

- 1) Applicant is seeking a special use permit to establish a fitness training facility upon the property known as 228 East Jericho Turnpike, Mineola, New York;
- 2) The facility will be for members only, it will not be an "open" gym";
- 3) The hours of operation will be 6:00 A.M. to 11:00 A.M. and 4:00 P.M. to 8:00 P.M., Monday-Friday and 7:00 A.M to 12:00 P.M., Saturday- Sunday;
- 4) Classes will be for one (1) hour and be scheduled in advance with ten (10) to twenty (20) individuals at a time;
- 5) The area is serviced with on-street metered parking;

- 6) Applicant will conduct sports training inside the building. The building will have an indoor turf field and weight training area;
- 7) The Applicant will be selling prepackaged health snacks and drinks. The Applicant will not be preparing or cooking food upon the Property; and
- 8) The proposed use, subject to the conditions imposed by this Board, will provide a desirable service and convenience to the Village.

Based upon the above findings, it is hereby determined that the proposed use, subject to the conditions stated below, is harmonious to the “B-1” District, will conform to the general character of the neighborhood and that the public health, morals, safety and general welfare of such neighborhood will be secured by the granting of the requested Special Use Permit. Further, it is hereby determined that the Special Use Permit will provide a desirable facility to the area and will not be incongruous to the neighborhood by reason of excessive traffic.

IT IS THEREFORE RESOLVED, that the Special Use Permit is **GRANTED** subject to the following conditions:

- 1) The operation of the facility shall be self-contained within the interior of the building;
- 2) Music, if any, shall be played at a low volume and shall not be audible outside of the building;
- 3) Applicant shall encourage its members to utilize the municipal parking;
- 4) Each of these conditions is material to the approval granted by the Board of Trustees. Violations of any of them shall subject the applicant or its successors to enforcement pursuant to the Village’s Municipal Code, including possible revocation of this special permit;
- 5) The representations made by Applicant on the record in this proceeding have been deemed material to this application and have been relied upon by the Board of Trustees in its deliberations and decisions. Said representations are deemed to be part of the conditions of this special permit; and
- 6) Violation of a condition set forth in this decision shall be deemed a violation of the Village Zoning Law and shall subject the owner or occupant of the premises to all penalties set forth in the Zoning Law.
