**Resolution No. 190-14**

Resolution to declare an emergency situation and dispense with bidding requirements for the purchase/ installation of two (2) HVAC Units at Village Hall in accordance with General Municipal Law §103(4) and the Village Procurement Policy

**Background:**

The Village has been advised by Tom Rini, Superintendent of Public Works, and by the Village's HVAC Maintenance Company, Dynaire, that its two (2) HVAC Units at Village Hall are damaged, inoperable and failing; and

The operation of the Village without air conditioning until September creates an emergency situation that could result in a threat to the health, safety and welfare of its patrons and employees;

General Municipal Law, §103 entitled "Advertising for Bids and Offers; Letting of Contracts; Criminal Conspiracies", Subsection (4) provides that:

*"Notwithstanding the provisions of subdivision one of this section, in the case of a public emergency arising out of an accident or other unforeseen occurrence or condition whereby circumstances affecting public buildings, public property or the life, health, safety or property of the inhabitants of a political subdivision or district therein, require immediate action which cannot await competitive bidding or competitive offering, contracts for public work or the purchase of supplies, material or equipment may be let by the appropriate officer, board or agency of a political subdivision or district therein."*

The Village's Procurement Policy provides that the necessity of competitive bidding can be dispensed with in emergency situations.

**NOW, THEREFORE, BE IT RESOLVED**, that the Village of Mineola Board of Trustees hereby declares an emergency situation and dispenses with bidding requirements for the purchase/ installation of two (2) HVAC Units at Village Hall in accordance with General Municipal Law §103(4) and the Village Procurement Policy.
