APPEARANCES:	Shawn Swift

DECISION:

Shawn Swift (hereinafter, “Applicant”) is before this Board pursuant to Chapter 550 , Section 550.12.B of the Municipal Code of the Incorporated Village of Mineola for a special use permit to establish a fitness training center upon the property known as 111 East Jericho Turnpike, Mineola, New York (known and designated on the Nassau County Land and Tax Map as Section 9, Block 268, Lot 6) (hereinafter, the “Property”).

Applicant originally applied to establish a fitness training center for underprivileged children, mentally disabled adults, low income persons and those losing weight to facilitate organ donation. By Notice of Disapproval, dated October 24, 2013, Applicant’s building permit was denied. The Building Inspector determined that the proposed application is contrary to the Village’s zoning regulations. Applicant was thus required to seek relief before

the Board of Trustees for a special use permit. At the Public Hearing, Applicant amended its application for a special use permit to establish a fitness training center for youth wrestlers.

A referral of the application was made to the Nassau County Planning Commission on January 7, 2014. By letter, dated January 14, 2014, the Nassau County Planning Commission has recommended that this Board take whatever action it deems appropriate. Based upon the evidence adduced at the public hearing, and the documentation submitted to the Board in support of the application, the Board makes the following findings of fact:

- 1) Applicant is seeking a special use permit to establish a fitness training center for youth wrestlers upon the second floor of the property known as 111 East Jericho Turnpike, Mineola, New York;
- 2) The hours of operation will be 4:00 P.M. to 9:00 P.M. Monday-Thursday;
- 3) Applicant will conduct wrestling instructional classes for children ages six (6) to twelve (12);

- 5) Applicant will have three (3) coaches and two (2) additional staff on-site;
- 6) There is a private parking lot that services the property with nineteen (19) parking spaces;
- 7) The Applicant will not serve, sell, prepare or cook food upon the Property; and
- 8) The proposed use, subject to the conditions imposed by this Board, will provide a desirable service and convenience to the Village.

Based upon the above findings, it is hereby determined that the proposed use, subject to the conditions stated below, is harmonious to the “B-1” District, will conform to the general character of the neighborhood and that the public health, morals, safety and general welfare of such neighborhood will be secured by the granting of the requested Special Use Permit. Further, it is hereby determined that the Special Use Permit will provide a desirable facility to the area and will not be incongruous to the neighborhood by reason of excessive traffic.

IT IS THEREFORE RESOLVED, that the Special Use Permit is **GRANTED** subject to the following conditions:

- 1) No food, beverages and/or supplements will be sold upon the Property;
- 2) The operation of the facility shall be self-contained within the interior of the building;
- 3) Applicant shall not utilize any fitness training equipment and/or free weights;

- 4) Applicant shall encourage its members to utilize the municipal parking;
- 5) Each of these conditions is material to the approval granted by the Board of Trustees. Violations of any of them shall subject the applicant or its successors to enforcement pursuant to the Village's Municipal Code, including possible revocation of this special permit;
- 6) The representations made by Applicant on the record in this proceeding have been deemed material to this application and have been relied upon by the Board of Trustees in its deliberations and decisions. Said representations are deemed to be part of the conditions of this special permit; and
- 7) Violation of a condition set forth in this decision shall be deemed a violation of the Village Zoning Law and shall subject the owner or occupant of the premises to all penalties set forth in the Zoning Law.
