PUBLICATION & POSTING: All in accordance with applicable laws, rules and regulations.

DATE OF HEARING: May 8, 2013

APPEARANCES: Robert J. Roble, architect

IN SUPPORT: Pastor Wilson Jose

**DECISION:**

Robert J. Roble, on behalf of Grace International Assembly of God (hereinafter, "Applicant") is before this Board pursuant to Chapter 30, Section 30.31 of the Municipal Code of the Incorporated Village of Mineola for a special use permit for the demolition of the existing east

portion of the structure and the expansion of the existing special permitted use (approximately 4,760 square feet) upon the property known as 172 Willis Avenue, Mineola, New York (known and designated on the Nassau County Land and Tax Map as Section 9, Block 456, Lot 192) (hereinafter, the “Property”).

By Notice of Disapproval, dated February 5, 2013, Applicant’s building permit was denied. The Building Inspector determined that the proposed application is contrary to the Village’s zoning regulations in that the demolition of the existing east portion of the structure and the expansion of the existing special permitted use upon the Property requires a special use permit. Applicant was thus required to seek relief before the Board of Trustees for a special use permit.

A referral of the application was made to the Nassau County Planning Commission on May 14, 2013. By letter, dated May 17, 2013, the Nassau County Planning Commission has recommended that this Board take whatever action it deems appropriate. Based upon the evidence adduced at the public hearing, and the documentation submitted to the Board in support of the application, the Board makes the following findings of fact:

- 1) Applicant is seeking a special use permit for the demolition of the existing east portion of the structure and the expansion of the existing special permitted use (approximately 4,760 square feet) upon the property known as 172 Willis Avenue, Mineola, New York;
- 2) Applicant is seeking to maintain a church at the property known as 172 Willis Avenue, Mineola, New York;
- 3) Applicant is proposing demolition to the 1950’s era addition. The original construction from 1889 will remain;
- 4) The addition is needed to afford the Church the opportunity to provide better accessibility, restroom facilities and parishioner use;
- 5) Applicant will add additional restrooms and Sunday School classrooms (total of six (6));
- 6) The Applicant is a non-for profit church. The Premises will be utilized as such and no for-profit business will be conducted on Premises;
- 7) Applicant will repair and maintain the Premises, including, but not limited to the addition of proper drainage in the parking lot, painting the exterior, repairing the fencing, repair north window; and
- 8) The proposed use, subject to the conditions imposed by this Board, will provide a desirable service and convenience to the Village.

Based upon the above findings, it is hereby determined that the proposed use, subject to the conditions stated below, is harmonious to the “B-1” District, will conform to the general character of the neighborhood and that the public health, morals, safety and general welfare of such neighborhood will be secured by the granting of the requested Special Use Permit. Further, it is

hereby determined that the Special Use Permit will provide a desirable facility to the area and will not be incongruous to the neighborhood by reason of excessive traffic.

**IT IS THEREFORE RESOLVED**, that the Special Use Permit is **GRANTED** subject to the following conditions:

- 1) The Applicant will not rent, lease or permit the property to outside groups for any non-church service or non-church related activities;
- 2) All cooking equipment maintained shall be in compliance with the New York State Fire Prevention and Building Code, the Regulations of the Nassau County Fire Marshal and the Rules of all agencies having jurisdiction;
- 3) Each of these conditions is material to the approval granted by the Board of Trustees. Violations of any of them shall subject the applicant or its successors to enforcement pursuant to the Village's Municipal Code, including possible revocation of this special permit;
- 4) The representations made by Applicant on the record in this proceeding have been deemed material to this application and have been relied upon by the Board of Trustees in its deliberations and decisions. Said representations are deemed to be part of the conditions of this special permit; and
- 5) Violation of a condition set forth in this decision shall be deemed a violation of the Village Zoning Law and shall subject the owner or occupant of the premises to all penalties set forth in the Zoning Law.
