DATE OF HEARING:	June 10, 2015
APPEARANCES:	Brandon Nurnberger, owner

DECISION:

Brandon Nurnberger (hereinafter, "Applicant") is before this Board, pursuant to Chapter 550, Section 550.16 of the Municipal Code of the Incorporated Village of Mineola, for a special use permit to establish a personal training and fitness center upon the property known as 62 East Second Street, Mineola, New York (known and designated on the Nassau County Land and Tax Map as Section 9, Block 437, Lots 454, 471) (hereinafter, the "Property").

By Notice of Disapproval, dated March 24, 2015, Applicant's building permit was denied. The Building Inspector determined that the proposed application is contrary to the Village's zoning regulations. Applicant was thus required to seek relief before the Board of Trustees for a special use permit to establish a personal training and fitness center upon the Property.

A referral of the application was made to the Nassau County Planning Commission. The Nassau County Planning Commission has recommended that this Board take whatever action it deems appropriate. Based upon the evidence adduced at the public hearing, and the

documentation submitted to the Board in support of the application, the Board makes the following findings of fact:

- 1) Applicant is seeking a special use permit to establish a personal training and fitness center upon the property known as 63 East Second Street, Mineola, New York;
- 2) The facility will be for members only, it will not be an “open gym”;
- 3) The hours of operation will be 6:00 a.m. to 10:00 a.m. and 5:00 p.m. to 9:00 p.m., Monday-Friday, and 9:00 a.m. to 11:00 a.m., Saturday;
- 4) Classes will be for one (1) hour and be scheduled in advance with no more than six (6) individuals at a time;
- 5) Applicant will share a twenty (20) space parking lot with other building tenants;
- 6) Applicant will conduct strength and fitness training at the Property;
- 7) Applicant will not be selling, preparing or cooking food upon the Property; and
- 8) The proposed use, subject to the conditions imposed by this Board, will provide a desirable service and convenience to the Village.

Based upon the above findings, it is hereby determined that the proposed use, subject to the conditions stated below, is harmonious to the “M” District, will conform to the general character of the neighborhood, and that the public health, morals, safety and general welfare of such neighborhood will be secured by the granting of the requested Special Use Permit. Further, it is hereby determined that the Special Use Permit will provide a desirable facility to the area and will not be incongruous to the neighborhood by reason of excessive traffic.

IT IS THEREFORE RESOLVED, that the Special Use Permit is **GRANTED** subject to the following conditions:

- 1) The operation of the facility shall be self-contained within the interior of the building;
- 2) Music, if any, shall be played at a low volume and shall not be audible outside of the building;
- 3) Applicant shall encourage its members to utilize the municipal parking;
- 4) Each of these conditions is material to the approval granted by the Board of Trustees. Violations of any of these conditions shall subject the applicant or its successors to enforcement pursuant to the Village’s Municipal Code, including possible revocation of this Special Use Permit;
- 5) The representations made by Applicant on the record in this proceeding have been deemed material to this application and have been relied upon by the Board of Trustees in its deliberations and decisions. Said representations are deemed to be part of the conditions of this Special Use Permit; and

- 6) Violation of a condition set forth in this decision shall be deemed a violation of the Village Zoning Law and shall subject the owner or occupant of the premises to all penalties set forth in the Zoning Law.
